

Dear Friend of SkillsUSA,

Alabama SkillsUSA will hold its inaugural golf tournament fundraiser Monday, November 1st at Riverchase Country Club in Birmingham, Alabama. Proceeds from this event will provide professional development, classroom funding, competitive events and leadership experiences for our students and instructors in Career and Technical Programs in Alabama high schools and college programs. Alabama SkillsUSA is a function of the Alabama State Department of Education and affiliated with the national organization of SkillsUSA. SkillsUSA supports education and competition in these areas:

- A/V Technology and Communications
- Architecture and Construction
- Health Science
- Hospitality and Tourism
- Human Services
- Information Technology
- Law, Public Safety, Corrections and Security
- Manufacturing
- Marketing
- Science, Technology, Engineering and Mathematics
- Transportation, Distribution and Logistics

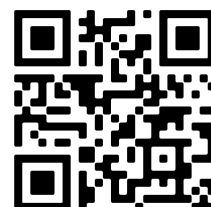

We are requesting your support for this event. There is a myriad of options to get involved. **Consider one of the following opportunities: register a team of 4 players, provide a prize, sponsor a hole, or become a tournament sponsor.** Promote your company by setting up at a tee or registration area to interact with golfers. We will award prizes for closest to the pin, longest drive, and other fun competitions. You can choose to sponsor one of these challenges. Sponsors will receive signage and recognition on our media platforms.

SkillsUSA is a partnership of students, teachers and industry working together to ensure America has a skilled workforce. As a nonprofit association, Alabama SkillsUSA serves high-school and college students preparing for careers in trade, technical and skilled service occupations.

Thank you for your interest. I look forward to hearing from you. Please contact me at 334-694-4923 or 251-298-4792 or email to tessa.brown@alsde.edu for more information or visit [Golf Tournament | Alabama SkillsUSA \(alskillsusa.org\)](https://www.alskillsusa.org)

Sincerely,

Tessa Brown
